

SPECIFICATION AMENDMENT

1. Please replace the paragraph beginning at line 1 page 57 with the following amended paragraph:

ABSTRACT OF THE DISCLOSURE

A boxcar and load restraint system are provided. Various features of the load restraint system may be used with uninsulated boxcars and insulated boxcars. Such boxcars may include a roof assembly, a floor assembly, a pair of sidewall assemblies and a pair of endwall assemblies. The load restraint system may include a floor anchor system and a sidewall anchor system.
